OFFICE NOTE.

SUBJECT: ~~ACQUISITION OF PROPERTIES IN KURUBARHALLI VILLAGE, REQUIRED FOR IMPROVEMENT WORKS.~~

In connection with the above acquisition, the following points are for kind consideration and order

1. Obtaining sanction of Government for the withdrawal of acquisition in respect of 52 properties which were notified for shifting of kurubarhalli village for its present location;
2. Fixing up of the rates re: land value and structural value of the acquired properties in the village;
3. Publishing the preliminary notification of the four properties in the village, now required for improvement purposes;
4. Publication of the final notification of the properties now required for improvement purposes.

Regarding No.1, Government have sanctioned the acquisition of the 52 properties in connection with the shifting of Kurubarhalli village from its present location in G.O.No.L.2504-S/M1.24-46-9 dated 15-8-1946. Awards have been passed in respect of all the 52 properties and possession has not been taken and payment has also not been made. Subsequently, Gov rnment in their order No.L.6381-5/I.T.B.12-52-27 dated 4-9-1954 ordered to drop the proposal of shifting of the village from its present location and to take such improvement works as are necessary to keep the village in a sanitary condition. Consequent on this order, the entire scheme together with the award passed in all these cases has to be withdrawn and got

P.T.O.

published in the Gazette after obtaining sanction of Government. The withdrawal statement is herein enclosed for kind approval of the Board. (Statement No.1).

Regarding the fixing of the rates for properties acquired in respect of the village:-

(1) in the present estimate, a rate of 1/- per syd. has been adopted for land area and a rate of Rs.1-4-0 per Sft. has been adopted for the structure, consisting of mud walls and country tiled roofing;

(2) A rate of Rs.1-12-0 per syd. for land area has been adopted in the case of properties acquired in Paduvarhalli and for the structures, a rate of 0-12-0 per Sft. has been adopted for mud walls and country tiled roofing and for Mangalore tiled roofing, a rate of Rs.1/- per sft. has been adopted. In Dhanvanthri Road, the following rates have been adopted:-

(i) Land area at Rs.2-/per syd.

(ii) Structure with brick walls and Mangalore tiled roofing: Rs.2-4-0 per sft.

Orders are solicited in the matter of adopting the rates both for the land area and for the structural area of the acquired properties in Kurubarhalli village.

Point No.3: 4 properties (Statement No.II) are required for improvement works in Kurubarhalli village. Preliminary notification in respect of the same has not been notified in the Gazette. Board's consent is necessary for the acquisition of the properties and after obtaining sanction of the Board, preliminary notification has to be published in the Gazette.

If approved, the statement showing the properties will be placed before the Board for approval and publication in the Gazette.

The notification No.L.2509/M1.24-46-10 dated 15-8-1946 relating to the properties for shifting Kurubarhalli has got to be withdrawn entirely, since the question of shifting the village is changed to improving the existing village.

(Continued)

A fresh statement of properties required for improvements of the existing village has to be got published after obtaining sanction of Government.

Re: the rate for different kinds of properties, the land value may change with reference to the importance of the locality in which they are situate. But the rate for value of structure calculated holds good irrespective of the place.

Government will therefore be addressed in the matter, after obtaining the concurrence of the Board.

ORDERS OF THE ENGINEER THEREON:

1. Consurrence of Trust Board may be obtained by circulation to avoid further delay.
2. The notification of 1946 has to be withdrawn and the fresh final notification has to be published.
3. Rates as noted below may be adopted and the detailed estimates submitted by the Sub Overseer may be suitably corrected.

i.	Open land:	Re.1/- per Syd.
ii.	Mangalore tiled building:	Re.1/- per Sft.
iii.	Pot tiles and mud walls:	0-12-0 per Sft.

The above rates are reasonable and the L.A.O. be requested to adopt them.

Sd/K.V.Rajarathnam,
27-5-55.

ORDERS OF THE CHAIRMAN THEREON:

"YES, BY CIRCULATION TO AVOID DELAY".
